CMS Multi-page Preview Test

Multi-page PDF • preview and download

TEST DATA ONLY — NOT AN OFFICIAL COMPANY FILING.
Created only to test Admin CMS upload, preview, metadata, replacement, version history and download.
Do not publish as a statutory filing.

Purpose

Test multi-page PDF viewing and file delivery.

Expected checks

Both pages appear in preview.

Download is a valid PDF, not a text file or empty blob.

Filename and metadata display correctly.

Additional Test Page

This second page tests multi-page PDF rendering and browser preview.

Test Field	Expected Result
PDF preview	Both pages visible
Download	Valid PDF file
